

National Youth Week takes place each year from May 1st to May 7th. Youth Week is a time to celebrate and inspire proactive youth involvement in our community. Youth Week 2024 will be celebrated in person at the Halton Hills Youth centres.

This year, we will recognize and generate awareness of the value and impact youth have made in Halton Hills through storytelling. We will celebrate these impactful stories and highlight a few to share at our **Youth Week Open House Event, “The Story of Our Youth”**, scheduled for **Tuesday May 7th, 2024**, at the Halton Hills Youth Centres in Georgetown and Acton. Youth, family, friends and members of the community are invited to the Open House Event.

Our annual **Youth Art Exhibit** will be featured in person at the Halton Hills Cultural Centre in the Sisnett Lobby. Come by and check out the amazing art on display from the talented youth artists in our community. Messaging and a highlight of the art exhibit will also be featured virtually on day **Wednesday May 1st, 2024**.

The full schedule of Youth Week events is available below for the community to enjoy. Tune in for more details regarding each daily activity. Activities will be available from 3- 7:30pm unless stated otherwise.
