MATURE NEIGHBOURHOODS CHARACTER STUDY

The Town of Halton Hills initiated the Mature Neighbourhoods Character Study to examine whether the Town's Zoning By-law is effective in maintaining the character of our mature neighbourhoods, in response to increased pressure for large-scale home rebuilds that are sometimes referred to as "monster homes".

We invite you to drop-in at a public open house, where you will receive a guided walk-through of each of the proposed recommendations of the Mature Neighbourhoods Character Study, as well as an opportunity to share your input. Presentation at 7pm.
