

Maximum 6-hour Parking Restriction

No person shall park a vehicle on any street for a period longer than six (6) hours, unless otherwise posted.

Regulation is enforced on a complaint basis.

Overnight Parking (winter) Restriction

To facilitate winter road maintenance, on-street parking is prohibited between 2 and 6 a.m. from November 15 to April 15, on all Town streets, unless otherwise exempted from a posted '12 hour' limit zone. Regulation is proactively enforced during the winter months.

No parking of commercial motor vehicles

Large vehicles such as straight trucks/tractors or buses are prohibited from parking on any street under Town jurisdiction, unless otherwise posted.

No Parking Anytime Sign

In a posted No Parking Zone, you are permitted to bring your vehicle to a brief stop to allow the exit or entering of passengers or cargo.

No Stopping Anytime Sign

Stopping your vehicle in a posted No Stopping Zone is not permitted, unless directed by a police officer, traffic control device or the stopped flow of traffic.

Accessible Person Parking Permit Sign

Any vehicle found in a designated accessible parking spot without a visible approved provincial permit will be subject to a \$350 set fine.

A Resident's Guide to On-street Parking Regulations

Updated 2023

haltonhills.ca/parking

Parking is regulated in the Town of Halton Hills under the **Uniform Traffic Control By-law, Off-street Parking By-law** and **Fire Route Parking By-law** for public safety, maintenance and accessibility. Residents are encouraged to become familiar with the Town’s parking by-laws.

The following on-street parking regulations are in effect in the Town of Halton Hills:

No person shall park a vehicle:

- In any area where “No Parking” or “No Stopping” signs are on display.
- Longer than six (6) hours at any time, unless otherwise posted.
- Overnight (winter) Restriction (2-6 a.m., November 15 - April 15).
- No commercial motor vehicle parking on-street, unless otherwise posted.
- Within 1.0 metres of the driveway or 3.0 metres of a commercial or public laneway.
- Within 3.0 metres of a fire hydrant.
- Facing the wrong direction on the road or in excess of 15 cm away from curb line.
- On or overhanging the sidewalk.
- In a manner that obstructs traffic, road repair or snow removal.
- On any highway for the purpose of displaying the vehicle for sale.
- In a space designated for accessible parking without displaying a valid permit.

Temporary exemptions to 6-hour limit or Overnight (winter) Restriction:

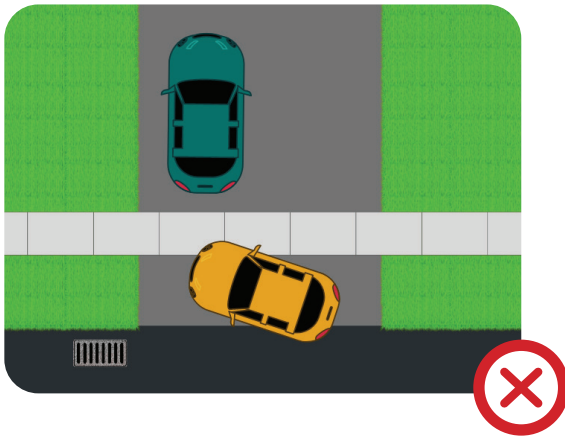

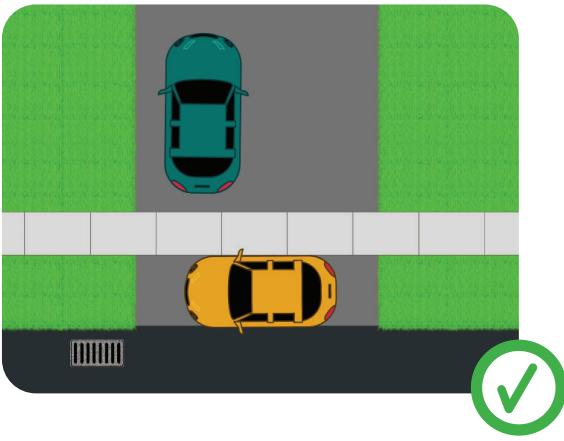

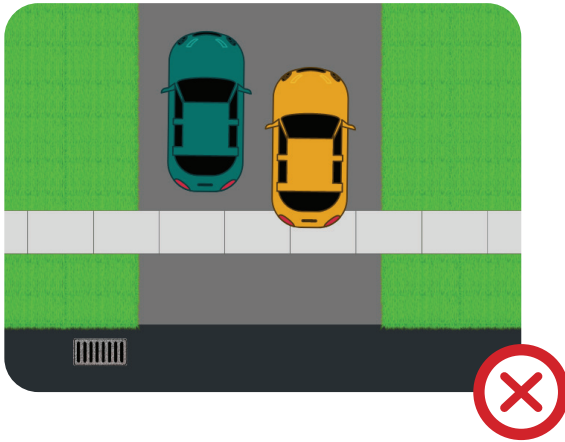

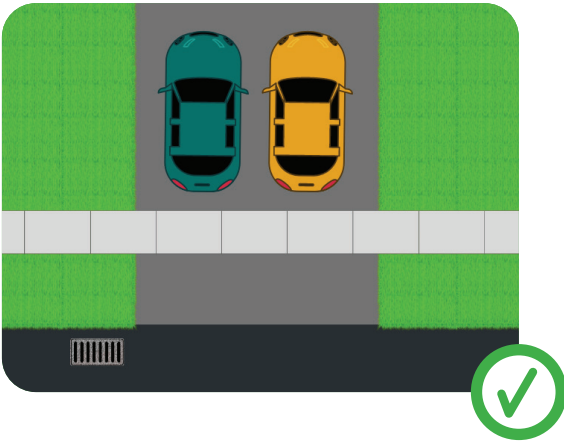

If you need extra parking on the street because of driveway repairs or home maintenance activity, visitors or special functions, temporary exemptions to the 6-hour parking limit and Overnight (winter) Restriction can be obtained from the Town of Halton Hills. All other posted parking or stopping restrictions would remain in effect.

- To obtain a parking exemption, visit haltonhills.ca/parking or call the Clerk’s Division at 905-873-2600, ext. 3030. Be prepared to provide the license plate number of the vehicle(s) to be parked on the street and expected duration.
- A parking exemption will not be granted to unlicensed or immobile vehicles, commercial vehicles or school buses. The temporary exemptions are not intended to provide supplemental parking space for residents with more personal vehicles than their driveway or garage can accommodate. An exemption may also not be granted due to inclement weather during winter or if the parking activity interferes with road maintenance.
- On-street parking exemptions are limited to 24 days per calendar year, per vehicle license plate.

Please note: Inclement weather can cause parking exemptions to be null and void if the parking activity interferes with road maintenance.

Parking on Town Boulevards:

Vehicles are permitted to park on the paved boulevard section of a driveway. Vehicles that are parked on the landscaped portion of the boulevard or hanging over the sidewalk or curb/road edge will be ticketed.
