

Regulated Watercourse and Associated Flooding Hazard Southwest Quadrant:
 The southwest quadrant of the secondary plan area includes a regulated watercourse and associated flooding hazard as shown on Schedule H6-4. As per Policy H6.12.11, further refinement to the regulated area is required prior to future development within this area.

NOTE:
 This schedule forms part of the Official Plan and must be read together with the text.

- | | | | |
|---|--|----------------------------|--|
| Natural Heritage System** | Local Commercial Mixed Use Area | School | Town Square Park |
