General

- Admission to the facility will commence 15 minutes prior to the start of the rental time. A Town Ambassador will unlock the door and allow one person (parent/child) in at a time according to physical distancing markers.
- Participants must “come prepared” by dressing in their required equipment (except skates, helmets & goalie pads) prior to entering the facility.
- Non-medical masks or face coverings are required by all staff and patrons except when actively engaging in physical activity.
- Participants can line up outside the entrance doors keeping the 6 ft. /2 m distancing. Follow signage and markings.
- The Town Ambassador will ask each patron to show the green check mark that was given by completing the Halton Hills Simple track COVID screening questionnaire. This will be required the day of entering the facility. This is for Health unit tracking in case of further outbreaks.
- The Town ambassador will be accounting for each patron entering the facility and confirm that they are here for their designated time slot.
- If change rooms allowed, teams will be assigned a change room number by the Town Ambassador. If no change rooms are allowed, teams will use designated benches along rink runway.
- Hand sanitizer will be made available throughout the facility. Patrons will be asked to use the hand sanitizer provided upon entry.
- Participants are not to “cross-over” to other areas.
- Buffers are set between rentals to allow cleaning & sanitizing & reduce crossover between groups.
- Groups will have 15 minutes to exit facility. Once cleared, next group will be allowed entry.

- The number of people permitted in the public washrooms is restricted to 2 people maximum at any one time. Town staff will be locking every other stall, blocking/bagging off urinals and sinks, etc.
- Town staff will maintain cleaning and sanitization in all high use areas (washrooms, lobbies, entrances, benches & dressing rooms).
- Player boxes are restricted to 4 players only; additional benches will be made available outside of the player's box to maintain physical distancing.
- Coaches and instructors are responsible to supervise their participants and to ensure all protocols are being followed.
- Parents/guardians are not permitted in the area where skaters put their skates on unless player/skater is too young and requires assistance to tie skates.
- **No spitting, snorting, or releasing of any body fluids on the ice or players bench or ice surface. This could result in immediate ejection or removal.**
