6. Motion to Defer (postpone to a certain time)

A Motion to Defer puts off action on a pending Motion to a definite day,

time, Meeting or until after a certain event. A Motion to Defer:

- (a) is debatable, but only as to whether a matter should be deferred and to what time;
- (b) is amendable at to time; and
- (c) has precedence over the Motion to Refer, To Amend, and to Table (postpone indefinitely).

7. Motion to Refer (back to staff or a Committee)

A Motion to Refer sends a motion to Town staff or a committee (ie. Advisory or Special Committee) so that it can be investigated and/or updated further and then brought back to Council. A Motion to Refer should state what committee or staff the motion is being referred to, and when staff/the committee should report back to Council. A Motion to Refer:

- (a) is debatable, but only as to whether the Motion should be referred to a specific committee or to specific staff, but not to debate the main motion;
- (b) is amendable; and
- (c) has precedence over all amendments of the main motion and any motion to defer/table.

8. Motion to Amend

- a) A Motion to Amend changes the wording of a motion before it is voted on.
- b) A Motion to Amend must relate to the pending Motion. No new business may be introduced by moving an amendment to a motion.
- c) An amendment which, in effect, is nothing more than a rejection of the main motion (ie. a contrary motion) is not in order.
- d) When an amendment is introduced, the Members may only debate the merits of the amendment, not the merits of the Main Motion the amendment proposed to amend.
- e) When a motion to amend is under debate, no other motion shall be received, except a motion:
  - i. to postpone
  - ii. to refer
  - iii. to call the previous question
  - iv. to suspend the rules
  - v. to raise a Point of Order or Point of Personal Privilege
  - vi. to adjourn
  - vii. to amend the amendment.
- f) An amendment may only be amended once, and the amendments must relate to each other.
- g) Voting on a Motion to Amend shall be in the following order:
  - i. first vote – Amendment to the Amendment;
  - ii. next vote - Original Amendment;
  - iii. final vote – Main Motion as Amended (if amendment is adopted)

9. Motion to Suspend the rules (Waive the Rules)

A Motion to Suspend the Rules is used when a Committee or council wishes to do something during a Meeting that would violate the rules of procedure. A Motion to Suspend the Rules:

- (a) is not debatable;
- (b) is not amendable;
- (c) requires a two-thirds (2/3) vote; and
- (d) takes precedence over any Motion if it is for a purpose connected with the Motion.

10. Motion to Reconsider

A Motion to Reconsider allows Members, at a Council Meeting, to reconsider the vote on a Motion. A Motion to Reconsider:

- (a) is debatable;
- (b) is not amendable;
- (c) requires a two-thirds (2/3) vote, regardless of the vote necessary to adopt the Motion to be reconsidered; and
- (d) requires the motion to be reconsidered within one (1) year of the date on which the Motion to Reconsider was adopted.

A Notice of Motion for reconsideration shall not be required for any decision of a previous Council.

A Motion to Reconsider a previous decision made during the current Term of Council shall only be introduced by a member who voted with the prevailing side on the original motion or who was not in attendance when the vote was called. Any member who was not on Council at the time of the original vote, shall be deemed to have voted with the prevailing side.

A Motion to Reconsider may be seconded by any Member.

A Motion to Reconsider shall not be amended but may be debated and such debate shall be confined to reasons for or against reconsideration.

The mover of a Motion to Reconsider shall specify whether the reconsideration will address the entire original motion or part of the original motion.

When a Motion to Reconsider is introduced at the same meeting at which the original motion was decided, the Motion to Reconsider may be introduced at any point prior to adjournment of the meeting,

When a Motion to Reconsider is introduced at the same meeting at which the original motion was decided, no discussion of the original motion shall be allowed unless the Motion to Reconsider is approved by the majority of Members present.

When a Motion to Reconsider is introduced at a subsequent meeting, the motion to reconsider shall be introduced by a Notice of Motion in accordance with this by-law - providing the Clerk with 48 hours' notice prior to the meeting.

When a Motion to Reconsider is introduced at a subsequent meeting, no discussion of the original motion shall be allowed unless the Motion to Reconsider is approved by at least two-thirds of the entire Council.

No Motion shall be reconsidered more than once, nor shall a Motion to Reconsider be reconsidered.

If a Motion to Reconsider is decided in the affirmative, the reconsideration of the original motion shall become the next order of business, unless the Motion to Reconsider calls for a future definite date to reconsider the original motion.

As a result of an affirmative Motion to Reconsider, the debate on the original motion being considered shall proceed as though it had never previously been voted on.

Motion to Reconsider shall be addressed and voted on as follows:

- (a) A Motion to Reconsider shall be moved and seconded;
- (b) The mover of the Motion to Reconsider shall note whether the consideration will address the entire original motion or part of the motion;
- (c) No discussion or debate of the original motion shall be allowed until the Motion to Reconsider is approved by at least two-thirds of the entire Council;
- (d) Upon an affirmative vote for the Motion to Reconsider, debate on the original motion being considered shall proceed;
- (e) Following debate, a final vote to adopt the reconsideration shall require a two-thirds (2/3) vote in the affirmative.

#### 11. Division of Question

A Motion for a Division of Question may be introduced by a member only where a motion contains separate and distinct proposals.
